

FOR IMMEDIATE RELEASE

Streamline Health to Announce Q3 Fiscal Year 2009 Financial Results on Wednesday, December 9, 2009

CINCINNATI, Dec. 3 /PRNewswire-FirstCall/ -- Streamline Health Solutions, Inc. (Nasdaq: STRM) announced today that it will release third quarter fiscal year 2009 financial results for the period ended October 31, 2009 on Wednesday, December 9, 2009 after the market closes. The Company will conduct a conference call and web cast to review the results on Wednesday, December 9, 2009 at 4:30 p.m. ET.

Interested parties can access the call by dialing (800) 860-2442 or (412) 858-4600, or can listen via a live Internet web cast, which can be found at www.streamlinehealth.net. A replay of the call will be available by visiting www.streamlinehealth.net for 30 days or by calling (877) 344-7529 or (412) 317-0088, access code 436203, through December 14, 2009.

About Streamline Health Solutions, Inc.

Streamline Health is a leading supplier of document workflow and document management tools, applications and services that assist strategic business partners and healthcare organizations to improve operational efficiencies through business process optimization. The Company provides integrated tools and technologies for automating document-intensive environments, including document workflow, document management, e-forms, connectivity, optical character recognition (OCR) and business process integration.

Streamline Health's solutions create a permanent document-based repository of historical health information that is complementary and can be seamlessly integrated with existing disparate clinical, financial and administrative information systems, providing convenient electronic access to all forms of patient information from any location, including secure web-based access. For additional information, please visit our website at <http://www.streamlinehealth.net>.

"Safe Harbor" statement under the Private Securities Litigation Reform Act of 1995

Statements made by Streamline Health Solutions, Inc. that are not historical facts are forward-looking statements that are subject to risks and uncertainties. The forward-looking statements contained herein are subject to certain risks, uncertainties and important factors that could cause actual results to differ materially from those reflected in the forward-looking statements, included herein. These risks and uncertainties include, but are not limited to, the impact of competitive products and pricing, product demand and market acceptance, new product development, key strategic alliances with vendors that resell the Company products, the ability of the Company to control costs, availability of products produced from third party vendors, the healthcare regulatory environment, healthcare information systems budgets, availability of healthcare information systems trained personnel for implementation of new systems, as well as maintenance of legacy systems, fluctuations in operating results and other risks detailed from time to time in the Streamline Health Solutions, Inc. filings with the U. S. Securities and Exchange Commission. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's analysis only as of the date hereof. The Company undertakes no obligation to publicly release the results of any revision to these forward-looking statements, which may be made to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
